The Olympic Peninsula Art Association (OPAA) is seeking original art entries, in any medium, for the
OPAA Winter Members' Art Show & Fundraiser Sale
December 1, 2022– January 30, 2023

Entry Deadline: Wednesday, November 16th at 10:00 p.m.

The OPAA Winter Members' Art Show & Fundraiser Sale will be both a virtual and live exhibition. All entries will appear in a virtual exhibit, and a live show will be held simultaneously at *Sequim Museum & Arts*, in the *Judith McInnes Tozzer Art Gallery*, 544 N Sequim Ave., Sequim, WA.

The fee to enter is \$10 for the first artwork entered, and \$5 for each additional artwork up to **three (3) total artworks**. **One artwork** to be exhibited virtually and at the live museum show, the other *two to be exhibited virtually only*. The artwork must have been created in the last **three (3) years**, and never previously entered in an OPAA Members' Show. OPAA is requiring an online application & payment process for this exhibit. To enter online: follow the link or copy & paste the link: <https://form.jotform.com/212595947105158> into your browser, and complete the online entry form. Attach one *suitable for publication** digital image for each artwork entered, **no more than 3 total**. All artwork/images must be titled. *See description below in *Images of Artwork*.

As exhibit space is limited at the museum, members will be allowed to show **one artwork no larger than 26"** in any direction at the live museum show. The additional two artworks submitted will be accepted without size limitation for exhibition & sale in the virtual portion of the show. If there are more entries than live exhibit space at the museum, artworks will be selected for display on a **"first come, first serve"** basis. If there is extra exhibition space available at the live museum show, artists may be asked to display additional work in the live show. *The additional artwork will be selected by the OPAA Show committee from the entries submitted online.*

Directions, Guidelines & Requirements:

By entering:

- The artist grants Olympic Peninsula Art Association (OPAA) permission to use photographs, videos, and digital images of his/her artwork for purposes of exhibition, documentation, education, and publicity. The artist understands that at OPAA's discretion, photos of the artwork, the artist's photograph, name, and information provided by the artist may be released for use by newspaper or other media, including the OPAA newsletter, website, and Social Media sites.
- The artist understands while OPAA uses extreme care with all artwork, OPAA assumes no responsibility for damage, loss and/or theft of artwork. There will **not be OPAA docents at the live show**, only museum docents. The museum will be closed for the holidays the weeks of **December 18, 2022 through January 17, 2023**. The artworks will be locked in the museum, but unattended. However, if the artist does not wish for his/her artwork to remain in the museum while it is closed, he/she may opt to have artwork shown in the virtual show only by checking the box on the application form.
- The artist agrees to follow all the rules and requirements of Sequim Museum & Arts and the museum's docents. The artist further understands that by not following the rules, the artist will be asked to leave, not show their work again or be allowed in the Museum.
- The artist states he/she has read, understands, and agrees to all the directions, guidelines, and requirements set forth this *Call for Artists* document and in the *Conditions, Requirements, & Release Agreement*, and that the penalty for not meeting the requirements set forth in both is not having their work shown in the Members' Show.

Artist Statement:

- Artists are asked to provide a photo of themselves with a **short (1/2 page) artist statement** to be included in the virtual portion of the show. The statement is meant to give the viewer (possible buyer) insight into who you are, your creative process, and your art. Please be concise. If all your artworks are similar, one paragraph may cover it. If your artworks are vastly different from each other, you may need to give a little more explanation.

Artwork:

- All media (2D & 3D) will be accepted from OPAA members in good standing. Entries are limited to **three (3) total per artist**, (the first artwork listed on the entry form will be considered for the live show, and **must not exceed the maximum size requirement, to be included in the museum live show**). The artwork in the #1 position must be brought to the **KSOM conference room on November 29th from 10am-12pm** (located at 609 W. - OPAA reserves the right to reject any entry deemed inappropriate.
- Once artwork is accepted into the exhibition, original artwork(s) must remain available for sale (if not marked NFS) through **January 30, 2023**. *Note: For artworks purchased as a gift during the exhibition period, the buyers will receive a "gift card" with a picture of the artwork to give the recipient. The actual artwork will be picked up at the close of the live show on January 31, 2023. ***Any other sales/pick-up arrangements other than described in this document **must be made by way of the OPAA Treasurer.***
- 2D artwork for the live museum show must be **dry, properly framed (if appropriate)**  **and wired for hanging with hanging hardware & wire (no saw tooth hangers (pictured above) will be accepted).** Canvas wrap is acceptable without a frame. *If artwork is not securely wired for hanging, it will not be accepted during drop-off for the live museum show.* See help session note below.

Images of Artwork:

- **All artworks must be titled, and images of artworks submitted must be labeled with that title.** Images for entry must be in a **jpg format, high resolution** (300 if possible) suitable for publication in an electronic display and in print. *Blurry, low-resolution images will not be accepted, resulting in the artwork not being accepted.* See help session note above.
